

Girls Photo Party Shoot

The great thing about Photo shoot parties is that they can be adapted for any age group. The parties are a great way, for a group of friends to celebrate any occasion! The length of the shoot will be dependent on how many girls are present. As a guide, please allow 2-3 hours for the shoot to take place.

Please note a minimum booking of 6 applies, if under 6 in the party, then 6 will be charged for.

An adult (preferably the host girl's parent) must be present throughout the shoot, if under 16. Please be reassured by the fact that I hold a CRB Enhanced Disclosure certificate which can be viewed on request.

Girls are encouraged to bring along a change of outfit, if they wish and/or any props (e.g. hats, tutus), that they may wish to include in their shoot. You may even want to set a theme for your shoot?

A separate, private changing area is available to the girls.

The girls are also more than welcome to bring their own CDs to listen to throughout the session. There is a CD player in the studio.

Each girl will be photographed individually and guidance can be given to help with poses etc.

Following the individual shots, I will then get some fun group shots. At this point, there will also be the opportunity for them to request a few photos with a particular best friend, or maybe even with Mum, if she is present!

I will provide soft drinks and a few nibbles along with a box of chocolates for the host, but do feel free to bring anything else you may want, maybe even a birthday cake, which could also be used in a photo!

Following the party, (usually around 7 days) all useable images will be uploaded to a password protected gallery on my site, (we will agree a password on the day of the shoot). Each girl will be given the log-in information, so that both she and her family can view the images.

Although Parents are under no obligation what so ever to buy, they can order additional prints, should they wish to.

The images will remain in the gallery for a period of 14 days.

The host can choose between 2 options of how she would like to receive the images, either as actual prints, or as digital images, supplied in lo resolution ideally sized for social networking sites such as Twitter or Facebook.

Print Option - £15 per person	Print Option - £20 per person

I am sure you will agree that it is very good value, in terms of what the girls will receive!

OPTIONAL EXTRA

As an extra, you can if you wish, incorporate hairstyling or a makeover (or both if you are really lucky!), in with your Party Shoot. A qualified hair stylist and Beauty Therapist, are on hand to come to the studio, to work their magic and ensure you look your very best. The cost of these services are £8 per girl for EITHER hair or make up, or £15 per girl for both

Look forward to seeing you all on the day

Kind Regards

Mandy Arrowsmith
